SELF-EMPLOYED FREELANCE

- Led independent performance marketing work focused on paid media strategy, analytics, reporting, and conversion-oriented campaign improvement.
- Continued hands-on execution across tracking, channel performance analysis, copywriting, landing pages, banner production, and ad creative support.

Click Brains

2024 - 2025

PPC MANAGER

- Managed high-spend PPC accounts with zero tolerance for wasted budget.
- Translated complex data into transparent, blunt reporting for stakeholders.
- Optimized acquisition loops across Meta, TikTok, and Google Ads.

Bproduction Agency

2020 - 2024

ONLINE MARKETING SPECIALIST

- Structured cross-channel funnels that forced Google and Meta to acquire buyers, not just traffic.
- Ripped out broken analytics and deployed Server-Side GTM to stop data leakage.
- Built executive Looker Studio dashboards so founders finally understood their ROI.
- Executed relentless A/B testing to fix behavioral UX roadblocks.
